

LIST OF DOMESTIC NON-CRAFT BREWERS

as of 11/26/12

A CRAFT BREWER IS SMALL, INDEPENDENT AND TRADITIONAL

Small: Brewery annual production of 6 million barrels of beer or less.

Independent: Less than 25% of the brewery is owned or controlled by an alcoholic beverage industry member who is not themselves a craft brewer.

Traditional: A brewer who has either an all malt flagship (the beer which represents the greatest volume among that brewers brands) or has at least 50% of its volume in either all malt beers or in beers which use adjuncts to enhance rather than lighten flavor.
